#### INNOVATING & DELIVERING QUALITY FOR OVER 25 YEARS

With more than 25 years of industry-leading experience in educational display and signage, Signpac's reputation for delivering quality and innovation is now accessible via our dedicated division – School Signs. Now Australia has a specialist educational sign provider focused on schools.

This is enhanced by a national sales and installation network that delivers for the school, at the school.

Getting your school signage right is an important component to the school's success. It's a highly recognised way the local community knows who you are, where you are and what you stand for.

#### WHY SCHOOL SIGNS?

Since the installation of our first school sign, our responsibility for the safety of young minds has been the centrepiece of our innovation and thinking.

Every time we design and create a school sign, we continue to innovate and always ensure that the school is seen and safe... and this is our purpose.

# HOW TO ORDER?

#### **Book a Site Visit**

An educational sign specialist will visit your school, if possible, to do a site assessment and provide professional advice on the appropriate signage for your school.

We supply schools in, but not exclusive to: Sydney, Brisbane, Melbourne, Nth QLD, all regional NSW, VIC, QLD, SA, WA and beyond.

Please contact us to book an obligation-free site visit.

#### **Review Proposal**

Read over our proposal and if you're happy with our recommendation, simply sign and send it back to us with a school purchase order number; the next step will be artwork.

#### **Design, Review & Install**

The final stage of our process involves design, approval, and installation. Here, we make your school signage goals come to life!

We start by sending you our design mock-up. Upon approval, we begin production; handling the entirety of the project on your behalf.

Ready to get started? Contact us now!

#### **SCHOOL SIGNS ASSURE**

Unique to the Australian education sector is School Signs Assure.

When you become a School Signs customer, you not only receive recognised Australian quality designed and manufactured products, backed by our industry leading service and warranties, you become a School Signs customer for life, which provides your school with a dedicated specialist on call.

Your school will receive our periodic School Signs Assure review which includes:

- Educational Safety & Hygiene Benchmarking
- School Sign Gap Analysis
- School Innovation Benchmarking
- Education Peer Investments & Recommendations

An appointment will be automatically scheduled in 2–6 months.

#### **High-Quality Materials**

We use only the highest quality printing and production technology to ensure maximum strength, durability, and fade-resistance. Our partnership with HP has given us access to a UV print technology that's resistant to sun damage and a thicker UV graffiti-resistant coating for unmatched preservation and protection.

#### **Built to Last**

The Australian climate can quickly produce wear and tear on signs that are not built to stand up to our harsh environment. At School Signs our signs are designed with the climate in mind, and developed using durable materials that meet or exceed our rigorous quality standards, guaranteeing your investment.

#### **High-Grade Aluminium**

All School Signs frames feature high grade 100% powder coated aluminum materials to ensure your sign lasts longer with no rust and therefore always remains prominently displayed.

#### **Colour Preservation**

Our ultra modern print technology ensures the long lasting vibrancy of the colours on your sign.

#### **First Time Installation**

Our dedicated installation teams take no shortcuts in the installation of your sign. Our quality certified installers follow a process that provides you with absolute confidence in their stability and safety over the long term.

#### **Trusted Local Support**

We are an Australian-owned and operated company so we are always on-hand to provide support when and where you need it.

#### **Showcasing Your Reputation**

Through our signs we enable your school to showcase the visual display you need to succeed. This is achieved through our market specialisation as well as our collaborative and agile approach.

### ACRYLIC SIGNS

Our acrylic signs give your school a professional edge. With a 3D effect, they are ideal for images and provide excellent cut-through and high impact visibility.

Acrylic signs are digitally printed to give your signs an enhanced look. They are popular for building entrances, halls and foyers; and they can be made in any shape and design to suit your space.

### BANNERS & FLAGS

Colourful, eye-catching and easy to install – one banner or flag is never enough. Multiple banners and flags display school messages, logos and house mascots with flair and fun. Our high quality PVC anti-fade banners are perfect for promoting special school events like enrolment day or P&C fundraisers – colour photographs transfer well onto banners.

Banners and flag signs are lightweight and portable so your school can stand out at off site events like zone sporting carnivals. Our banners are built to last and come in various sizes and shapes with ropes and eyelets included.

### BUILDING SIGNS

Building signs are essential to provide directions, identify buildings and facilities and help people move safely around your school. Clear, bright building signs can also keep staff, students and visitors safe in an emergency so they know the location of exits, emergency meeting points, first aid kits and more.

### CUT OUTS

Cut Out characters are a popular way to engage with students. They add colour, fun and creativity to outdoor and indoor public areas. School Signs has more than 25 years' experience in school sign creation, installation and placement.

Like Cut Out characters, school crests transform well into Cut Out signage that reproduces your school emblem, message, branding or logo into a colourful, quality sign that attracts attention and reinforces your school's visual image.

# DIGITAL SIGNS

Communicate quickly and easily by broadcasting up-to-the-minute messages and images from a cloud based website. Digital signs are being used more and more throughout Australian school campuses. School Signs' digital LED sign technology has full colour photo capability or text in a rainbow of colour choices all controlled by easy to use software.

With over 600 digital signs exclusively installed in schools across Australia, you can order your brand new, all weather, and high-visibility LED digital sign with absolute confidence. Speak with a School Signs Digital Sign specialist about retrofitting digital signs into your school's existing frame sign. Our digital signs come with a five-year warranty and are a surprisingly affordable way to modernise your school with technology that appeals to current and future students and communities.

#### DIRECTIONAL SIGNS

Directional signs help visitors, staff and students find their way around your school efficiently. Well thought-out directional signage not only helps people navigate their way, but also sends a clear message that you have an organised, helpful and professional school.

### FRAME SIGNS

Frame signs are most commonly found in school environments and because they are often the most prominent, hard working signs on school premises, it is important to get them right. All our frame signs are 100% aluminium and powder coated. School Signs has an extensive range and over 25 years' experience in designing and supplying all types of frame signs to Australian schools. We also have a range of digital LED frame signs to modernise your school.

Call us today for a quote on your school's next frame signs that will promote your school with quality and style.

# FRONT OF SCHOOL

Classic, widely used signs that introduce your school to students, staff and the wider community. Front of school signs are one of the most important signs your school can have. They make a statement about school pride and presentation values. Make sure you get it right by engaging with us to reproduce your school's logo in full, long-lasting colours on a quality aluminium frame that is guaranteed to stand the test of time.

\*Now available in LED Digital signs

### GATE SIGNS

Keep students, staff and visitors safe and provide clear information with our range of gate signs. They offer a versatile solution to advise where to park, keep pedestrians safe and make a statement about your school ethos. Printed on aluminium panels, our gate signs are durable, affordable and are made to retain their colour.

#### HALL SIGNS

School halls play a vital role in a school community as a place where people gather, perform and celebrate important school milestones. The school hall is often the first building visitors and potential enrolments set foot in and as such, it is a great place to showcase your school values, achievements and history.

Placing signage around your school hall is expected by students and visitors pay attention to the content of these signs. Make sure you get the mix right by consulting a School Signs' sales specialist to advise on styles and types of hall signs.

### HONOUR BOARDS

Wooden honour boards are a traditional favourite. They are finished to a high standard and are available in a range of shapes and sizes. Also available are our modern, popular, Perspex honour boards that brighten up any area. Our honour boards are professionally sign-written with your school name, crest and honour roll names.

Lecterns with your school name and logo are essential in any modern auditorium. Our lecterns are our own exclusive design with the option of a fold down/up step for the little kids, that give your school or organisation the professional edge that audiences and speakers expect. We can tailor-make signage for existing lecterns, podiums and other speaking platforms.

Map signs are a lifesaver for visitors and a necessity for emergency services, contractors and students onsite and are sized to suit your school.

They can be simple in design or customised to reflect your school branding style. Map signs are limited only by your imagination and they are increasingly popular on school campuses of all sizes.

## NOTICE BOARDS

Notice boards are a great way to communicate important school messages with ease. Our outdoor waterproof notice boards come with a lockable face and are available in pin board or Velcro styles. We customise notice board sizes to suit your school.

### PAINT PALETTES

As a vibrant, playful centrepiece, our paint palettes are a creative way to communicate your school values or motto. Paint palettes are made to order with your choice of colours and text. Their strong visual impact helps students learn about values and behaviour in a fun, relevant manner. Loved by both pupils, parents and teachers, our paint palettes bring your PBL values into the playground.

### PBL SIGNS

Values signage is an integral part of any modern educational environment. We are specialists in this field. Consult with us on how best to display your PBL messages on colourful, permanent signs strategically placed to reinforce your schools values and expectations. We can help you create and include your school mascot in your PBL signs to boost their impact and relevance for your students.

### PENCILS & RULERS

INSIBI

3D pencil and ruler signs are a front of school or playground hit and accommodate your text twice on each panel in your choice of ten vibrant colours. Individual purchase is an option but we recommend a set of more than four to achieve maximum impact. Also available in octagonal shape or with a base for hard surface application.

# SCORE-BOARDS

Available in various designs from traditional to modern, manually changeable chalk, sliding numbers or electronic digital. Contact us to discuss any scoreboard requirements your school or sporting organisation may have. We provide on-site consultancy if you require and our products are quality assured to stand the test of time and exposure to the elements.

# SPECIAL SCHOOLS

Schools that cater for students with special needs require extra clear signage. Our experience in creating and installing signage at special schools gives us the flexibility and sensitivity to produce effective signage. Used inside and out, we can make these signs in whatever design best suits your students.

All things are difficult before they are easy

The learning is as important as the end product

To try is the most important thing

#### STAIR SIGNS

Children are more easily able to commit concepts to memory when they add movement to learning. Our stair signs are a unique way to bring your message to life through a dynamic and fun medium. These signs work well inside and out and create a wonderful ambience for everyone to enjoy.

# TOTEMS

Honour Australia's Aboriginal heritage and reinforce your school's values with our aluminium totem poles. Eye catching and culturally significant, we can print these poles with an Aboriginal design and your choice of words. They are a wonderful, tangible way to teach your students about Australia's history and let the community know your school acknowledges our Aboriginal history.

### WALL SIGNS

Visually stunning wallpaper designs are becoming very popular. Blow up a photo, map, student artwork or any image to create a huge impact. Alternatively pattern-repeat certain words across an entire wall for a sleek, modern look. This type of signage enables a dynamic blast of colour and allows you to showcase your schools individuality and creativity.

### WINDOW SIGNS

Allow your school's colours, messaging, logo, artwork or photographs to shine across school building or classroom windows. Window vinul sticker signage is big on impact, good value for money and easy to change annually or seasonally. This form of school signage allows for creativity and individual expression to suit the personality of your school. Also available in cut-out opaque or colour block privacy, one way vision panelling.
